### Berths for new members

Dear prospective member,

In order to obtain a permanent berth in the Hamburg marina, you must be or become a member of one of our affiliated clubs.

Through this club, you will then receive a contract for a water berth, which you must complete in duplicate, sign and return to us.

#### **The one-time admission fee and investment contribution:**

We calculate this based on the square meters of your boat, i.e.  
maximum length x maximum width of your boat = square meters.

The admission fee is € 800,00 (for which we provide you with 8 m<sup>2</sup>).  
From the 9th m<sup>2</sup> onwards, the **one-time** investment contribution for each new member is € 110.00 per m<sup>2</sup>.

The investment contribution is refundable on a pro rata basis if the tenant leaves within the first 5 years.

#### **Annual costs:**

The annual membership fee is €155.00 (for which we provide you with 8 m<sup>2</sup>).

Furthermore, from the 9th m<sup>2</sup> onwards, we charge  
€23.00 per m<sup>2</sup> of boat space for a berth with a 6-amp power connection and  
€27.00 per m<sup>2</sup> of boat space for a berth with a 10-amp power connection.

The water space rental also includes drinking water at the jetty and free use of the showers and sanitary facilities.

If you have any further questions, please do not hesitate to contact us at 04103 - 44 38.

Yours sincerely,  
HAMBURGER YACHTHAFEN-GEMEINSCHAFT e.V.
